THOMPSON RIVER RANCH POOL MEMERSHIP REGISTRATION INFORMATION

The Metro District is working with Splash to add features that will increase the safety and security of the pool amenity for the enjoyment of homeowners living in Thompson River Ranch. Please visit the Facebook page for Thompson River Ranch Pool that will be used to get information out to you all about the pool.

All pool members, related family members living in the ***same home within the Thompson River Ranch boundaries***, must be listed on this registration form. Do not list nannies, or family members who do not live in the same household. All members must have their photo taken and stored in the membership database in order to access the pool.

Members and their guests will be checked in to the facility through this database each time they use the pool. Entry to AND exit from the pool will be streamlined through the west gate.

Photos will be taken at the pool on the following dates (*you need only attend only 1*). All pool members must have their photos taken and stored in the database to utilize the pool. This will allow you to avoid the photo line and have immediate access to the pool on opening day: Monday May 21st 4pm-7pm ***OR*** Tuesday May 22nd 4pm-6pm
If you are unable to attend one of the photo days your photo will be taken the first time you use the pool. This may cause a delay while waiting behind other homeowners.
