THOMPSON CROSSING METROPOLITAN DISTRICT NO. 6
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court on November 9, 2005, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located entirely within the Town of Johnstown, Larimer County, Colorado.

The District was established to provide construction, installation, financing and operation of public improvements, including streets, traffic safety controls, water, sanitary sewer, storm drainage, television relay and translator, transportation, park and recreation facilities, and mosquito control within the District. Under the amended service plan, the District was organized in conjunction with five other related districts, Thompson Crossing No. 1 (control district), Thompson Crossing No. 2 (commercial district), Thompson Crossing No. 3 (operating district for Nos. 4, 5 and 6), Thompson Crossing No. 4 (financing district), and Thompson Crossing No. 5 (financing district). The District serves as a financing district for Thompson Crossing No. 3.

On November 1, 2005, District voters approved authorization to increase property taxes up to \$5,000,000 annually, as necessary, to pay for the operations and maintenance expenditures of the District. Debt authorization was approved in the amount of \$520,000,000 for the above listed facilities and \$65,000,000 for refunding debt. The voters also authorized debt of \$65,000,000 for the cost of operating and maintaining the District's systems. Additionally, the election allows the District to collect, spend, and retain all revenues, other than ad valorem taxes, without regard to the limitations under TABOR.

The Modified Consolidated Service Plan dated October 3, 2005, limits the total principal amount of obligations that the Districts may have outstanding in aggregate at any one time to \$65,000,000 provided that in the case where obligations of the Financing Districts are supporting revenue bonds of the Control District, the Control District revenue bonds shall not be counted.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

THOMPSON CROSSING METROPOLITAN DISTRICT NO. 6
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected by the General Fund and the Debt Service Fund.

Expenditures

Transfer to Other Districts / Administrative and Operating Expenditures

Pursuant to a Facilities Construction and Service Intergovernmental Agreement, the District is obligated to impose a mill levy which will be sufficient to promptly and fully pay the amounts to be paid under this agreement, as well as all other general obligation indebtedness of the District, as the same become due. The District is required to remit property taxes derived from such mill levy, together with specific ownership taxes applicable to property within the District less County Treasurer Fees, to the Operating District. The District anticipates transferring funds to Thompson Crossing Metropolitan District No. 3, as shown in the General Fund budget, for operations under this agreement. Administrative, operating and capital outlay expenditures are paid by District No. 3 on behalf of the District.

County Treasurer's Fees

County Treasurer's fees have been computed at 2.0% of property tax collections.

**THOMPSON CROSSING METROPOLITAN DISTRICT NO. 6
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures - (continued)

Capital Enhancements

The District will start spending General Fund revenue on capital enhancements to be determined in 2021.

Debt Service

Principal and interest payments in 2021 are provided based on the debt amortization schedule from the Senior Bonds (discussed under Debt and Leases).

Debt and Leases

The District issued General Obligation (Limited Tax Convertible to Unlimited Tax) Refunding and Improvement Bonds, Series 2020 on November 6, 2020, in the par amount of \$3,835,000 (the Bonds).

Proceeds from the sale of the Bonds were used to (a) reimburse certain costs of Public Improvements, (b) refund the outstanding Series 2015A Bonds and 2015B Bonds (together, the Refunded Bonds), (c) fund the Reserve Fund, and (d) pay the costs of issuing the Bonds and refunding the Refunded Bonds.

The Bonds bear interest at rates ranging from 3.0% to 5.0%, payable semi-annually to the extent of Pledged Revenue available on June 1 and December 1, beginning on December 1, 2020. Annual mandatory sinking fund principal payments are due on December 1, beginning on December 1, 2021. The Bonds mature on December 1, 2044.

In the event principal on the Bonds is not paid when due, such principal shall remain outstanding and continue to bear interest at the rate then borne by the Bonds. To the extent interest on the Bonds is not paid when due, such unpaid interest will compound semiannually on each June 1 and December 1, at the interest rate borne by the Bonds.

The Bonds are subject to redemption prior to maturity, at the option of the District, on December 1, 2030, and on any date thereafter, upon payment of par and accrued interest, without redemption premium.

The Bonds are secured by and payable solely from and to the extent of Pledged Revenue, generally consisting of:

- (a) the Required Mill Levy;
- (b) the portion of the Specific Ownership Tax which is collected as a result of the imposition of the Required Mill Levy; and
- (c) any other legally available moneys that the District determines, in its absolute discretion, to transfer to the Trustee for application as Pledged Revenue.

**THOMPSON CROSSING METROPOLITAN DISTRICT NO. 6
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Debt and Leases - (continued)

Prior to the time that the District's Debt to Assessed Value Ratio is 50% or less (the Conversion Date), the Required Mill Levy is an ad valorem mill levy imposed upon all taxable property of the District each year in an amount sufficient to pay the principal and interest on the Bonds as they become due and, if necessary, to replenish the Reserve Fund to the amount of the Required Reserve, but not in excess of 50 mills (subject to adjustment for changes in the method of calculating assessed valuation after August 20, 2001). The Required Mill Levy is net of the collection costs of the County and any tax refunds or abatements authorized by or on behalf of the County. The current maximum mill levy, as adjusted, is 63.986.

On and after the Conversion Date, the Required Mill Levy shall be unlimited and imposed in such amount as is necessary to pay the Bond Requirements as they come due and to replenish the Reserve Fund to the amount of the Required Reserve, if necessary.

The Debt to Assessed Ratio is derived by dividing the sum of the then-outstanding principal amount of all general obligation debt of the District by the assessed valuation of the taxable property of the District.

The Bonds are further secured by the Reserve Fund in the Required Reserve Amount of \$298,750. The Reserve Fund is to be maintained in the amount of the Required Reserve for so long as the Bonds are outstanding.

The District has no operating or capital leases.

Reserves

Reserve

The District reserves General budgeted property taxes from 4 mills of the General Mill Levy to be used for capital enhancements.

Emergency Reserve

The District transfers majority of its General Fund revenue to Thompson Crossing Metropolitan District No. 3. Therefore no Emergency Reserve has been provided for in Thompson Crossing Metropolitan District No. 6. The emergency reserve related to its revenue stream is captured in Thompson Crossing Metropolitan District No. 3.

This information is an integral part of the accompanying budget.
